

Celebrating its 57th year, Turkey Rama is one of McMinnville's oldest and most loved traditions! The community festival observes the historical importance of the once-thriving turkey business in the surrounding county. The turkey farms are gone, but Turkey Rama lives on!

As the face of our community has changed, so has the festival itself. Downtown you'll find vendors, a Food Court and Beer Garden all lined up along Third Street.

More details to come!
